-Verse 1

G
Every passing day I'm getting better
just like everyone said it'd be
C
Cause now I'm finally starting to realise
G
that you weren't right for me.
G
You told me that you wanted me forever,
and I never would have thought it wasn't true.
C
But I never got to hear your conversations
G
when I left the room.

-Chorus 1

Am C G
It was all just a beautiful life.
Am C
And I fell for your beautiful life

-Verse 2

G
You'd spend and talk about our future
as I looked way down deep in your eyes.
C
And out of nowhere, you said it was over
G
for your party life.
G
You turned your back on all the things you loved.
You told me that I wasn't good enough.
C
But that's okay because I know my worth now
G
And you don't deserve my love.

-Chorus 2

Am C G
Yeah, you said it was all just a beautiful life.
Am C
And I fell for your beautiful life.

-Solo (Intro > Chorus > Intro)

-Verse 3 (Half Verse extra 2x bars of G)

G
If there comes the day that you should hear this
I want you to know I'm doing just fine.
C
And I'd like to take this time to say thank you
G
for this change in my life.

-Chorus 4

Am C
Cause you just take time to see a blessing in
G
disguise.
Am C G
So thank you for your beautiful lies.

-End

Am C G
Yeah, thank you for your beautiful lies.
