Verse 1

We would sit at the bar
One more round is what you'd say
Then we would stumble away
Yeah, those were the good days
Remember the way we used to talk
Just to have a good laugh
All the great times that we had
Yeah, those days have passed

Link 1

Verse 2

I turned on the radio
Hope to hear your song
Cause when I hear those words
Can't help but sing along
It seems like yesterday
But it's been so long
All these years have passed
But your memories live on

Chorus 1

I wish there was more time to talk
I wish I had some good advice
If only I knew that time we talked
Would be the last I'd tell you
Before you go
Here's one for the road

Link 2

Bridge

Here's to the times you've had my back
Even when you knew I was wrong
Here's to the times we both
Laughed until we cried
Here's to the times we thought
Would always last forever
On the day we had to say goodbye

Link (instrumental)

Verse 3

We would sit at the bar
One more round is what you'd say
Then we would stumble away
Yeah, I wish there was more time to talk
I wish I had some good advice
If only I knew that time we talked
Would be the last I'd tell you
I wish there was more time to talk
I wish I had some good advice
If only I knew that time we talked
Would be the last I'd tell you

End

Before you go
I want you to know
I'll miss you
Before you go
Here's one for the road
Here's one for the road
