She'll spend half hour tryna find an outfit  
When every bar looks like a Carhardt outlet  
Put a flannel over t shirt you'll be fine  
Got a lot to do, without a lot of time,  
But one more night lost with yous alright  
Tomorrow I'm gonna leave this world behind

**Chorus 1**

Am C F  
On New Years Eve,  
Am C G  
I've been drinking if I tell you something I  
F

When you kiss me tell me something that I

**Verse 3**

Got a lady in Midtown she's just a friend,  
The door man hugs me when I walked in  
I just smile and lie when he says how you been  
There's a million reasons to forget last year,  
Some choices shouldn't happen after 16 beers  
But the lessons learned are worth all those pushed  
down tears

**Chorus 2**

On New Years Eve,  
I've been drinking if I tell you something I don't  
mean  
On New Year's Eve  
When you kiss me tell me something that I won't  
believe  
I've been trying to make a change but the change made  
me
