Verse 1

F

Sons and daughters of banking men
Space a premium, chiming Ben

Bb

False delirium, only when
Train comes in and you go again

Verse 2

Metropolitan all made up
Live and die by the coffee cup
Cheeks of collagen, walk of shame
Train comes in and you go again

Chorus 1

Dm

Let's get out of the city, darling

Bb

Let's get out of the rain

F

Every day that we stay here feels like

C

another day in chains

Gm

Let's get out of the city, darling

Bb

While we still can

C

Even though we're hard up, we can fill the
car up and call it a plan

Verse 3

Greener wheels and a climbing rent
High ideals get your money spent
Play it right it shouldn't make a dent
If it does then you reinvent

Verse 4

Whiter powder where the hands are shook
You just need to know where to look
If these gifts seem heaven sent
If they don't then you reinvent

Instrumental (4 bars)

Chorus 2

Let's get out of the city, darling
Let's get out of the rain
Every day that we stay here feels like
another day in chains
Let's get out of the city, darling
While we still can
Even though we're hard up, we can fill the
car up and call it a plan

Chorus 3

Let's get out of the city, darling
This place is bad news
I could go on either way but I'd leave if I
had to choose
Let's get out of the city, darling
While we still can
Even though we're hard up, we can fill the
car up and call it a plan
