Chorus 3 (As Chorus 1)

Chorus to fade

Verse 1

Spend my time, wasting time
Trying to find that perfect line
In the darkness of my mind
But I can't wait another day
Until that line just fades away
To that cold and empty place
Where I just waste my life away

Chorus 1

All the time has passed my way
Still I only see your face
Just one thing I can't explain
Like the morning sun and the midnight rain
Nothing seems to go my way
And I can't stand another day
Today I had my head not raised
For the morning sun and the midnight rain

Verse 2

Sometimes I try to live my life
But I can't leave what's in my mind
No matter how hard I try
But I will try to understand
If you'll just hold my bleeding hand
And lead me to the place I know
Cause I can't take it anymore

Chorus 2

All the time has passed my way
Still I only see your face
Just one thing I can't explain
Like the morning sun and the midnight rain
Nothing seems to go my way
And I can't stand another day
Cause then I had my head not raised
For the morning sun and the midnight rain

Instrumental

Yeah

Verse 3

So much time has passed my way
But if I got nothing left to say
No I can't live that way
So many years of trying to find
Some way to re-engage my mind
Now I've used up all my time
Is it too late to find the line?

Chorus 3

All the time has passed my way
Still I only see your face
Just one thing I can't explain
Like the morning sun and the midnight rain
Nothing seems to go my way
And I can't stand another day
Cause then I had my head not raised
For the morning sun and the midnight rain

Chorus 4

All the time has passed my way
Still I only see your face
Just one thing I can't explain
Like the morning sun and the midnight rain
Nothing seems to go my way
And I can't stand another day
Cause then I had my head not raised
For the morning sun and the midnight rain
