Verse 1

D G
Walking down Main Street, getting to know the
concrete

A D
Looking for a purpose from a neon sign

D G
I would meet you anywhere, western sun meets the air

A D
We'll hit the road, never looking behind

Chorus

D Em
Can you deny that there's nothing greater
G D
Nothing more than the travelling hands of time?

D Em
Saint Genevieve can hold back the water
A D
Saints don't bother with a tear-stained eye

Solo (Banjo)

D-Em-G-D-

Verse 2 (As Verse 1)

Seeing traces of the scars that came before
Hitting the pavement, still asking for more
When the hours don't move along, worn-out wood and
familiar songs

To hear your voice is not enough; it's more than a
shame

Chorus

Can you deny that there's nothing greater
Nothing more than the travelling hands of time?
Saint Genevieve can hold back the water
But saints don't bother with a tear-stained eye

Solo Instrumental (As chorus)

Verse 3 (As Verse 1)

Like the man said, rode hard and put away wet
Throw away the bad news, and put it to rest
If learning is living, and the truth is a state of
mind
You'll find it's better at the end of the line

Chorus

Can you deny that there's nothing greater
Nothing more than the travelling hands of time?
Saint Genevieve can hold back the water
But saints don't bother with a tear-stained eye

Instrumental (As Banjo Solo)

Outro

D Em
Saint Genevieve can hold back the water
A D
But saints don't bother with a tear-stained eye
