Verse 1

C Am
It's raining but there ain't a cloud in the sky
F
Must have been a tear from your eye
C G
Everything will be okay
C Am
It's funny, I thought I felt a sweet summer breeze
F
Must have been you sighing so deep
C G
Don't worry, we're gonna find a way

Chorus 1

C Am
I'm waitin' Waitin' on a sunny day
F
Gonna chase the clouds away
C G
Yeah, I'm waitin' on a sunny day

Verse 2

Without you, I'm working with the rain falling down
I'm half a party in a one dog town
I need you to chase these blues away
Without you, I'm a drummer, girl, that can't keep a beat
An ice cream truck on a deserted street
I hope that you're coming to stay

Chorus 2

I'm waitin'
Waitin' on a sunny day
Gonna chase the clouds away
I'm waitin' on a sunny day

Solo

Verse 3

Hard times, baby well they come to us all
Sure as the ticking of the clock on the wall
Sure as the turning of the night into day
Your smile, girl, brings the morning light to my eyes
Lifts away the blues when I rise
I hope that you're coming to stay

Chorus 3

'Cause I'm waitin'
Waitin' on a sunny day
Gonna chase the clouds away
I'm waitin' on a sunny day
