Verse 1

E
A few days 'fore he turned eighty
B
He was sitting out back in a rocker
A
He said, "What you been up to lately?"
I told him, "Chasing a dollar"
E
And in between sips of coffee
B
He poured this wisdom out
A
Said, "If you want my two cents on making a dollar count"

Chorus

E
Buy dirt
B
Find the one you can't live without
C#m
Get a ring, let your knee hit the ground
A
Do what you love but call it work
E
And throw a little money in the plate at church
B
Send your prayers up and your roots down deep
C#m
Add a few limbs to your family tree
And watch their pencil marks
A
And the grass in the yard
All grow up
E
B
'Cause the truth about it is
It all goes by real quick
C#m **A**
You can't buy happiness
E
But you can buy dirt"

Verse 2

Before you get caught on that ladder
Let me tell you what it's all about
Find you a few things that matter
That you can put a fence around
And then he laid it out

Chorus

Buy dirt
Find the one you can't live without
Get a ring, let your knee hit the ground
Do what you love but call it work
And throw a little money in the plate at church
Send your prayers up and your roots down deep
And add a few limbs to your family tree
And watch their pencil marks
And the grass in the yard
All grow up
'Cause the truth about it is
It all goes by real quick
You can't buy happiness
But you can buy dirt

Bridge

You can buy dirt
And thank the good Lord for it
'Cause He ain't makin' any more of it

Chorus

So buy dirt
Find the one you can't live without
Get a ring, let your knee hit the ground
Do what you love but call it work
And throw a little money in the plate at church
Send your prayers up and your roots down deep
Add a few limbs to your family tree
Watch their pencil marks
And the grass in the yard
All grow up
'Cause the truth about it is
It all goes by real quick
You can't buy happiness
But you can buy dirt
