Verse 1

Well I get ^Gdressed in the dark each day
^DUsed to think that as so sweet
^{Am C G}By 6am I'm in the car driving
^GI keep my change in the car ashtray
^DI haven't smoked in years and years
^{Am C G}But lately I've been craving

Chorus 1

^GI don't know how to pull you back
^DI don't know how to pull you close
^{C G}All I know is how to wreck you
^GSomething between us changed
^{Am}I'm not sure if it's you or me
^{C G}But lately all I do seems to wreck you

Verse 2

Every now and then after work
I don't go straight home
I might sit out by the lake and wonder
I can almost see the face
Of a little blue eyed girl
And the boy who thought he knew everything about her

Chorus 2

I don't know how to pull you back
I don't know how to pull you close
All I know is how to wreck you
Something between us changed
I'm not sure if it's you or me
But lately all I do seems to wreck you

Bridge

^{Am}I don't know what the hell you want from me
^CIs there something or someone I should be
^{Em C D}One of these nights should I keep on driving

Chorus 3

Cause I don't know how to pull you back
I don't know how to pull you close
All I know is how to wreck you
Something between us changed
I'm not sure if it's you or me
But lately all I do seems to wreck you
