Verse 1

G
By the sun on my skin
You can tell where I've been.
G C
Took a short walk down the hard road.
D
And I dug my roots right in

Chorus 1

C G
I wanna do it all
Then do it all again
Em D C
Dear lord don't take me now
G D
I'm just settling in

Verse 2

By the books on my shelf
You can tell I bought myself
By doing it the wrong way
Till I learned to ask for help

Chorus 2

They'll make photos in the hallway
Of every me I've ever been
Good lord don't take me now
I'm just settling in

Bridge 1

Like the grass on the path
Like a letter on the Bible
Like the road where the wheels know where to go
Times like raindrops in the river
Carving out the perfect bend
Good lord don't take me now
I'm just settling in

Verse 3

By the pictures I can't show no one
And how we got out nicknames
And the way we laugh at stories we can't tell

Chorus 3

Takes a lifetime of strangers
To find some real good friends
Good lord don't take me now
I'm just settling in

Bridge 2

Like the grass on the path
Like a letter on the Bible
Like the strings on this guitar
Tell my fingers where to go
I always thought I'd be unsteady babe
Or Airplane on the wind
Good lord don't take me now
I'm just settling in

Bridge 3 Instrumental

Verse 4

I try to see the blessings
In the things I might of missed
Still to young and stubborn
To see wha the meaning is

End

I don't have all the answers.
But it's starting to make sense.
Good lord don't take me now
I'm just settling in
Good lord don't take me now
I'm just settling in
