Verse 1

As you walk through the shadow
 Feel your weight on solid ground
 As you tremble in the darkness
 In the midst of silent sounds
 As you search for your answer
 And no answer has been found
 May you stand, stand your ground

Verse 2

And when you come to the table
 To lay your burdens down
 As you wait upon the weary
 For whom no rest was found
 As you search for to lean on
 And find no friend around
 May you stand, stand your ground

Chorus 1

And may you stand, stand your ground
 May you stand, stand your ground
 When the last step is before you
 And you feel like falling down
 May you stand, stand your ground

Verse 3 Instrumental

Verse 4

And as you kneel in the garden
 And no one is around
 As you raise your hands above you
 And from your lips cry out
 Oh Father, forgive me
 For I could not see through my doubt
 May you stand, stand your ground

Chorus 2

And may you stand, stand your ground
 May you stand, stand your ground
 When the last step is before you
 And your light is burning out
 May you stand, stand your ground
 Oh, may you stand, stand your ground, yeah
 May you stand, stand your ground
